Member Section

- **Personal Information:** Complete all enrollment information. For all plans, select a primary care provider (PCP), be sure to fill out this section for all members, including dependents.
- **Product Code:** Please be sure to fill in the correct product code for the plan you have selected.
- **Primary Care Provider:** **If your plan requires you to choose a PCP, it is important that you select one right away. Until we know who your PCP is, your in-network benefits may be limited to emergency services only. To find a PCP, visit thfp.com and use the Doctor Search feature. On this application, indicate whether you are an established patient of the PCP you have listed. (You are an established patient if you have routinely received health care services from this provider in the past.) If you are selecting a new PCP, contact the provider’s office right away and introduce yourself as a new Tufts Health Freedom Plan member. Ask if they are taking new patients and if the provider would like to schedule a physical exam. You may need to transfer your medical records to your new PCP.**
- **Other Health Coverage:** If you have other or additional insurance (such as Medicare), please check the correct box and fill in the requested information. If you do not have any other insurance, be sure to check the “No” box.

If You Need Emergency Care

If a health care emergency occurs, go to the nearest medical facility or call 911. An emergency is a serious injury or the onset of a serious condition that prevents you from taking the time to call your PCP.

Notices

By enrolling, you understand and agree that if you or any of your enrolled dependents obtain a health care benefit or payment that you are not entitled to receive, or if you knowingly present a claim that contains a false statement, you can be liable for the full amount of the health care benefit or payment made and for reasonable attorney’s fees and costs, including the cost of the investigation.

Tufts Health Freedom Plan arranges for the provision of health care services through agreements with independent community-based health care professionals working in private offices and with hospitals throughout the Tufts Health Freedom Plan service area.
