

# UnitedHealthcare Freedom Plans

## Network Fact Sheet

Through UnitedHealthcare’s acquisition of Tufts Health Freedom Plan (THFP), New Hampshire members enrolled in these products have greater network access than ever. The combination of UnitedHealthcare’s national network with the deeply rooted local provider relationships built by THFP provide members with the best of both worlds. Plus, all **UnitedHealthcare Freedom Plans** include 24/7 doctor video visits, virtual weight loss and wellness coaching and access to personal benefit advocates to help connect your employees to care. Wherever, whenever.

### Access to doctors and hospitals nearby

- **Local Access:** The **UnitedHealthcare Freedom Plans** network provides access to over 7,500 providers and all 26 acute care facilities in the Granite State<sup>1</sup>, plus bordering facilities in Maine and Vermont.
- **National Access:** All products within our **UnitedHealthcare Freedom Plans** provide additional access to our national UnitedHealthcare Choice Plus network<sup>2</sup> when traveling outside of New Hampshire.
  - Physicians and health care professionals: 1,205,773
  - Hospitals: 6,126

<sup>1</sup> Network Report, January 2021. This data represents all Tufts Health Freedom Plan participating (network) providers except urgent care centers. Behavioral health practitioners, complementary and alternative medicine providers are included. Providers who are board certified in more than one specialty, and/or practice at more than one location, are counted only once and at only one location.

<sup>2</sup> As of March 2021, UnitedHealth Networks national network statistics.

This policy has exclusions, limitations and terms under which the policy may be continued in force or discontinued. For costs and complete details of the coverage, contact your broker or UnitedHealthcare sales representative.
